2	Important Points To Remember	5
3	Limited Warranty	6

1 Mac OS X Configuration

You should have been given a username and password to use by your System Administrator. The username will end with the .vpn extension. Please contact your System Administrator if you have not received or have lost your username and password.

Figure 1: Internet connection

1.1 Internet Connect

Open Internet Connect from your Applications folder and select VPN (PPTP) from the top menu.

Figure 2: Internet connect

1.2 Internet Connect, VPN

Enter your Makos Public IP Address or domain name in the Server Address field and your Mako VPN username and password given to you by your System Administrator in the Account Name and Password fields. Ensure you are connected to the Internet and click Connect.

Figure 3: Internet connect VPN

1.3 Connected

To disconnect, click the **Disconnect** button.

2 Important Points To Remember

You must connect to the Internet prior to connecting the VPN.

If you are connecting to the Internet from behind a NAT Router, that Router must support VPN Passthrough.

If your Mako has a Static IP Address you will not need to change any settings in your PPTP VPN client.

If your Mako does not have a Static IP Address, you will need to re-enter its IP Address in the

VPN Client:

- Open Internet Connect
- Click on VPN
- Enter your Mako's IP Address (given to you at the Mako Networks website) or DNS hostname (if you have one) or if you subscribe to a Dynamic DNS provider, enter your Dynamic DNS hostname.

3 Limited Warranty

- 1) **Standard Limited Warranty.** If the products purchased hereunder are resold by a distributor or reseller to an end-user (customer) pursuant to the terms hereof in their original, unmodified, unused condition, Purchaser shall pass on to its customers, or keep as applicable for internal use, the MAKO NETWORKS LTD. standard limited warranty for the products, as summarized in documentation supplied with the product and including provisions and limitations set forth below. The Manufacturer warrants the Mako Appliance for one (1) year. The Warranty begins on the date of purchase as shown on your providers invoice.
- 2) **Express End-user Limited Warranty.** Each MAKO NETWORKS LTD. product purchased hereunder is warranted against defect in material and workmanship and will substantially conform to MAKO NETWORKS LTD. product documentation for the period set forth in the documentation supplied with the product following delivery to end-user (the "Warranty Period"). This warranty extends only to end-user and will not extend to, nor may it be assigned to, any subsequent user, Purchaser or user of a MAKO NETWORKS LTD. product, whether such MAKO NETWORKS LTD. product is alone or incorporated into end-user's product.
- 3) **Exclusions.** The express warranty set forth above is contingent upon the proper use of a MAKO NETWORKS LTD. product in the application for which it was intended and will not apply to any MAKO NETWORKS LTD. product that has been (i) damaged during shipping, (ii) modified or improperly maintained or repaired by a party other than MAKO NETWORKS LTD. or its designees, or (iii) subjected to unusual physical or electrical stress. This includes operation of the product outside the Operating Specifications of the product.
- 4) **Limitation of Remedy.** In the event a MAKO NETWORKS LTD. product fails to perform as warranted, MAKO NETWORKS LTD. sole and exclusive liability and end-user's only remedies for breach of this warranty shall be, at MAKO NETWORKS LTD.'s option to repair, replace or credit an amount not exceeding the Purchaser's purchase price of each product found to be defective, provided that:
 1. End-user complies with the rejection and warranty procedures contained in Section 5 below and returns the MAKO NETWORKS LTD. product that the end-user considers defective for examination and testing.
 2. MAKO NETWORKS LTD. shall not be liable under this warranty if testing and examination by MAKO NETWORKS LTD. discloses that the MAKO NETWORKS LTD. product has been modified or altered in any manner after it was shipped by MAKO NETWORKS LTD.
 3. MAKO NETWORKS LTD. shall not be liable under this warranty if testing and examination by MAKO NETWORKS LTD. discloses that the alleged defect in the MAKO NETWORKS LTD. product does not exist or was caused by end-user or any third person's misuse, neglect, improper installation or testing, unauthorized attempts to repair or any other cause beyond the range of intended user, or by accident, fire or other hazard.
 4. MAKO NETWORKS LTD. shall not be liable under any warranty under this Agreement with respect to any MAKO NETWORKS LTD. product that is not returned in its original shipping container or a functionally equivalent container.
 5. If MAKO NETWORKS LTD. testing and examination does not disclose a defect warranted under this Agreement: MAKO NETWORKS LTD. shall so advise Purchaser and dispose of such MAKO NETWORKS LTD. product in accordance with Purchaser's instructions on behalf of end-user and at Purchaser's cost.
